FREQUENTLY ASKED QUESTIONS

Q1: I have forgotten my password. What should I do?

Please refer to **paragraphs 10-14** in **Part A**. You may refer to <u>go.gov.sg/slsloginhelp</u> for all login issues.

Q2: I have forgotten my username. What should I do?

Your MIMS Login ID is in the format <Full_Name>@students.edu.sg. Any spaces in your full name will be replaced with an underscore and words such as "Bte" and "s/o" will not be included. If you share the same full name as another student, a number will be affixed behind your Login ID e.g. Kelly_Tan_1.

When using the SLS login page, you will need to enter your SLS username and not the MIMS Login ID. The format of your SLS username is a combination of the first 5 characters of your Name, the last 4 digits and the letter of your NRIC/FIN/BC, e.g. (RACHE1234Z). If you share the same 10 characters as another student, a number will be affixed behind your username, e.g. RACHE1234Z_01.

If you are still not sure of your username, please approach your teacher.

Q3: My account has been locked. What should I do?

Your account will be locked if you try to log in with an incorrect password too many times.

Please approach your teacher to unlock your account.

Q4: I chose to reset my SLS password through email but I cannot find the password reset email. What can I do?

If you cannot see the email in your inbox, it may be in the spam or junk email folder.

Note: The link in the email will expire within 10 minutes. If the link has expired, go to the login page and select **Forgot Password** to try again.

Q5: Can I change the SLS security questions?

Students can log in to SLS to change the answers to their security questions. However, the questions are fixed.

Q6: What are the Operating System and Browser Requirements for SLS?

SLS is accessible through internet browsers on Windows PC, Mac, tablets and mobile devices. The recommended operating systems and browsers can be found at https://go.gov.sg/slsosbrowser.
