

## #SLSListens: Enhanced Lesson Features

COMING TO YOU ON 8 DECEMBER

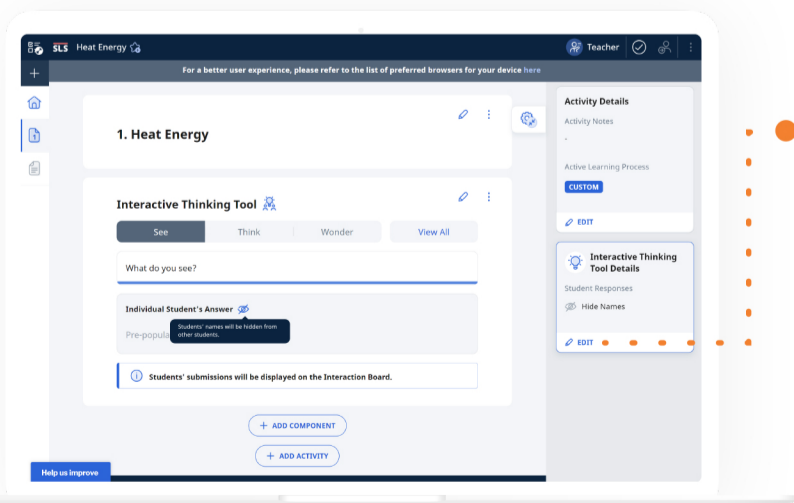

### “Preview as Student”

While creating lessons and courses, select “Preview as Student” (👁️) to experience how students will interact with an assignment.

### View Comment Count

View the number of comments on the “Interactive Thinking Tool” cards, “Annotation” cards and “Class Forum” posts.

### Anonymous Responses in the “Interactive Thinking Tool”

Establish a safe space for students to give anonymous responses when required.
