

Practice with Past Exam Papers

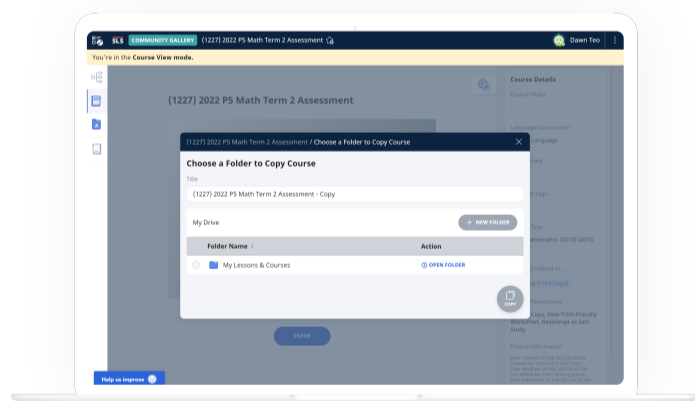

● Step 1

In the Community Gallery, search for exam papers from schools across Singapore using the keyword “Assessment” and subject filters.

● Step 2

Copy the lesson to My Drive and assign it right away or edit it to cater to your students.

● Step 3

You may have students who wish to attempt the questions in pen-and-paper form. Simply check the “View Print-Friendly Worksheet” checkbox to allow printing.
